

ELESTA News-Exhibition/Messe

building automation

Elesta building automation, Noordermeer Regeltechniek B.V. (ELESTA's Partner for the Dutch market) and Belparts SA participated at the VSK exhibition in Utrecht on a common booth from 11-15. February 2008.

The booth reflected the comprehensive product portfolio of all 3 companies and underlined Noordermeer's abilities as a complete solution provider. The response of the visitors and customers has been very positive. Thanks to our partners for the perfect organisation of the event.

Noordermeer Regeltechniek exhibited the complete range of Elesta's comprehensive DDC-System Controlesta RCO.

Based on Elesta's technology Noordermeer developed their own customised pre-programmed Heating & Ventilation Controller HC66.

Additionally PC operation software **ELESTA coNtRol** is available for the HC66.
